

RESILIENCE 2008

INTERNATIONAL SCIENCE AND POLICY
CONFERENCE, STOCKHOLM, SWEDEN

FOURTH ANNOUNCEMENT

**Resilience, Adaptation and Transformation in Turbulent Times.
International Science and Policy Conference, Stockholm, Sweden
April 14-17, 2008**

Dear Colleagues and Friends,

This is the fourth announcement of the Resilience 2008-Conference in Stockholm. We are happy to announce that a first version of the detailed *conference programme* is now available on the Conference website. We also kindly want to remind you that the *deadline for the reduced conference fee* is approaching! Register online at www.resilience2008.org at the latest Friday, February 1st for the reduced fee. (The final deadline for online registration is April 1st. The Policy Day, April 17, is included in the registration fee for those who register for the whole conference.)

Moreover, we want to remind you that there is plenty of information posted on the conference website: www.resilience2008.org, including a “Practical information” document as well as information on hotel accommodation and other logistics. Here you will also find the social programme (<http://resilience2008.org/events.pdf>), including a concert and conference dinner; welcome reception; launch of the Stockholm Resilience Centre; Sports and outdoor activities; and the Science fair and poster pub. And don’t miss the opening of the unique *Resilience Art Exhibition* that will take place in connection with the science conference (read more by clicking on “Art Exhibition” in the left menu of the conference website).

Join us in Stockholm April 2008 for scientific exploration, discussion, and discovery with social and natural scientists from all over the world. Enjoy the beautiful city of Stockholm and the music, food, award ceremonies and surprises of the social programme. We look forward to seeing you in Stockholm.

Very welcome!

Contact information

For further information regarding meeting logistics and announcements, see the conference website www.resilience2008.org or contact: Christina Leijonhufvud: chris@beijer.kva.se
